

2008 State Choral Festival Schedule – East Tennessee Cedar Springs Presbyterian Church, Knoxville

Revised March 27, 2008

REMINDERS

- Please bring three copies of music with measures numbered and submit them when you arrive at registration. Illegal photocopies are not acceptable.
- Discuss appropriate concert etiquette with your students ahead of time. There should be no iPods or cell phones/texting when choirs are performing, as each group deserves an attentive audience. Additionally, they should refrain from talking and stay seated during performances, only entering or exiting between groups. Please make sure your students are appropriately supervised and monitored.
- Your warm up time is 15 minutes prior to your performance. Plan your exit between performances accordingly. If you have an emergency en route to the church and you may miss your warm up or performance, call me at 865-670-0615. I will do everything I can to rearrange as possible so you have appropriate time to prepare for your performance.

Sincerely,
Ginny Herrick, Festival Site Coordinator
