

# 2008 State Choral Festival Schedule – Mid Tennessee Belmont Heights Baptist Church, Nashville

*Revised April 2, 2008*

Plan to arrive at least 30 minutes prior to your performance time to register. (Earlier is better.) However, since there is only one warm-up room available, your choir will not be able to enter that area until approximately 15 minutes before your performance. **DO NOT PLAN ON MORE THAN 10 MINUTES IN WARM-UP.** Any time over that will just be your good fortune. This time is simply that - warm-up. You may not have time to run all of your pieces, and if you are called to go to the stage, you must comply immediately. I'm sorry to sound so blunt, but there have been directors in the past that refused to come when called. If this occurs, we will tell the judges of that refusal, and the choir performance time may be cut as well. If your choir needs more singing time, plan something either in route or before leaving your school. In fairness to all and to keep on schedule, we must not fall behind. If you are bringing multiple choirs, please consider each ensemble's warm up and performance time. Please take time to plan when you will pull each ensemble out of the sanctuary so they will be in warm up on time. Remember – one can only leave or enter between choirs!

- Three (3) copies of music, measures numbered, will be turned in at that time. Remember - no illegally photocopied music.
- Talk to your students about appropriate concert etiquette. No cell phones, i-pods, etc. No talking or coming and going during performances. Students should be supervised, and anyone misbehaving will be asked what school they are from and the judges will be told that information.
- Control noise in the lobby outside the sanctuary as well. Everyone deserves an excellent concert atmosphere.
