

TNACDA State Choral Festival Schedule and Notes for Middle TN Site Murfreesboro, TN – April 12, 2007

First United Methodist Church
265 W Thompson Lane

Greetings all. I hope this finds you either in relaxed preparation for the State Choral Festival or in an even more relaxed state of Spring Break. Either way, below you will find the schedule for the Middle Tennessee site in Murfreesboro. Once you look it over, please take note of the following procedures:

- 1) This year's Festival will not be held at the Belmont Heights Baptist Church as in years past. It has been a beautiful place to sing, however it seems logical to hold the State Festival in the same location as the MTVA Festival so that directors and students are familiar with the performance space. [Click Here](#) for directions to the church.
- 2) [Click Here](#) for detailed instructions on where to park and procedures on registration (note – these are the same procedures as the MTVA Festival).
- 3) [Click Here](#) for a sample Adjudication Form. This can be a valuable assessment and preparation tool for your students.
- 4) Please remember to:
 - number your measures!
 - bring three legal copies of each piece.
 - arrive at least 30 minutes prior to your performance time.
- 5) If you are bringing multiple choirs, please take a look at each ensemble's warm up and performance time. Please take time to plan when you will pull each ensemble out of the sanctuary so they will be in warm up on time. Remember – one can only leave or enter between choirs!
- 6) Contact me with any questions – briantrussell@msn.com
